You will find classrooms and offices as easy as the quiet corners with their beautiful views and hammocks where you can lay back, study or enjoy time with fellow students.

There is a big kitchen everybody can use, free wifi and even free coffee and tea in the morning! Also bed linen and towels are included.

It is situated close to the typical provincial town of Turrialba. If you don't want to walk there are also busses and taxi's driving to town.
